FEE - FREE TRAINING FOR YEAR 12 GRADUATES

To support Queensland's Year 12 graduates to successfully transition to employment, the government is offering fee-free training in high priority qualifications identified by the Queensland Government and industry groups.

The training is available through a range of certificate III level vocational education and training (VET) courses, as well as apprenticeships and traineeships.

To be eligible to access fee-free training, you must:

- be a Queensland resident
- have evidence of completing Year 12 in Queensland, for example hold a Queensland Curriculum and Assessment Authority issued Senior Statement or equivalent certification
- enrol and start training with an approved training provider (called a pre-qualified supplier or PQS) by the end of the calendar year following your completion of Year 12.

For high priority qualifications funded for Year 12 graduates, see the Queensland Training Subsidies List. For more information download the fact sheet, or please visit <https://training.qld.gov.au/training/incentives/year12-fee-free>.
